In the "Networking" section you get an overview of recommended, confirmed and requested contacts. You can also search for participants and filter them according to certain criteria.

How do I get to the "Networking" area?

Log in to the platform with your Messe-Login and click on "Networking" in the main navigation at the top of the screen.

Which contacts are recommended to me?

You can find contact recommendations in the "Networking" area or in the dashboard under "Recommended contacts". The recommendations are based on your onboarding information. By clicking on "Matchmaking results" you can see which of your details match. These will be highlighted in colour.

23%

To ensure that the most suitable contacts are recommended to you, it is worth answering the onboarding questions in as much detail as possible. You can expand this information in your profile at any time.

How can I hide recommended contacts?

Under "Recommended contacts", you will find an icon next to each recommended contact. By clicking on it, you can hide irrelevant contacts.
